To All Members of the NAWFSC,

The second in a series of educational DVDs, From Flowage to Fashion, has been sent to all current paid members of the North American Wild Fur Shippers Council. The DVD was included with the fall issue of the IT magazine and for those members not currently receiving the IT, via regular mail.

Please be advised that members will NOT be charged for shipping and handling.

The NAWFSC Board apologizes for the confusion surrounding these charges and trusts that you will continue to support the NAWFSC and NAFA. Please enjoy From the Flowage to Fashion and feel free to send your comments to your representative.

Sincerely,

Board of Directors
North American Wild Fur Shippers Council
