Dear Member,  
January 2, 2019

## **NOMINATION FOR THE ELECTION OF REGIONAL DIRECTOR**

The NAWFSC By-laws provide for the election of a Director to represent your Region once every three years. The Director so elected will then represent your region for a three year period.

The following three of the eight designated Regions will hold an election for a Director to represent the region this year:

### **Canada Region 4 – Quebec**

**United States Region C-** (Connecticut, Delaware, Florida, Georgia, Maryland, Maine, North Carolina, New Hampshire, New Jersey, Rhode Island, South Carolina, Vermont)

**United States Region D –** (Alabama, Massachusetts, New York, Ohio, Pennsylvania, Virginia, West Virginia)

According to our records, you reside in one of the above Regions and will be electing a Director for your Region this year.

The first step is to receive nominations for members to run in the election. To be eligible to represent a Region as a Director, an individual must be a Member for a minimum of two (2) years, reside in that Region, and also have shipped to NAFA the last two consecutive years. Individuals who hold an executive position in any provincial, state or national trapper association are not eligible. NAFA agents, collectors or employees are not eligible.

**If you wish to nominate a representative from your region to run in the election this year, a nomination form is attached. A nomination for a Director representing a Region may only be made by a member residing in that region. Self Nominations are not allowed. Nominations for a Director to represent your region will be accepted by the Nominating Committee until January 18<sup>st</sup>, 2019. The nominated member must sign the nomination form. Please return nomination forms to the address on the nomination form or fax it to the number indicated.**

Once nominations are closed on January 18, 2019 the names of the successful nominees will be posted on the NAWFSC website. This year voting will be conducted electronically. You will be notified by email with instructions for voting. For those that haven't already done so, please make sure that your email address is up to date. This can be done on NAFA's website. Any member without an email address will be mailed the list of nominees and a ballot.
